

Hallelujah We Shall Rise

Written by Finding Favour & Ed Cash

Produced by Ed Cash

Key – Bb

(Intro)

Bb2, Eb2 (2x)

(Verse I)

I can almost hear Your voice, I can almost hear Your song
Singing out from the Heavens, That it's time to come home

(Chorus)

And Hallelujah! We shall rise, Hallelujah! We shall sing
When we hear Your voice cry, We will wake from the night
Hallelujah! We shall rise

(Verse II)

You will be brighter than the sun, It will be darkness no more
What a day that will be, When we finally meet You Lord

(Chorus)

And Hallelujah! We shall rise, Hallelujah! We shall sing
When we hear Your voice cry, We will wake from the night
Hallelujah! We shall rise

(Bridge)

We will rise above the heavens, We will rise above it all
We will run like child into your open arms, When we get to where we're going
We'll have all we've been waiting for

(Verse III)

When we finally reach that place, When we fall before Your throne
There will be no more pain, All our sorrows will be gone

(Chorus)

And Hallelujah! We shall rise, Hallelujah! We shall sing
When we hear Your voice cry, We will wake from the night
Hallelujah! We shall rise

And Hallelujah! We shall rise, Hallelujah! We shall sing
When we hear Your voice cry, We will wake from the night
When we hear Your voice cry We will wake from the night,
Hallelujah! We shall rise
